PATENT APPLICATION FORM

PART I: BASIC INFORMATION	
1.	Title of the Invention:
2.	Name of the applicant(s)*: (a) Applicant: Name _____ Designation _____ Department _____ Phone _____ E-mail _____ Address _____ (b) Applicant: Name _____ Designation _____ Department _____ Phone _____ E-mail _____ Address _____ *(Please add additional names if needed)
3.	Name of the inventors*: I. Inventor: Name _____ Designation _____ Department _____ Phone _____ E-mail _____ Permanent Address _____ II. Inventor: Name _____ Designation _____ Department _____ Phone _____ E-mail _____ Permanent Address _____ *(Please add additional names if needed)

PART II: INVENTION RELATED INFORMATION

1.	State the objective of the invention:
2.	Subject area(s) to which the invention relates:
3.	Whether the invention relates to a process/product/both?
3.	Description of the invention(attach separate A4 sheet, if required): I. The problem for which solution was researched: II. Already existing technologies providing solution to the problem and their disadvantages: III. Advantages and improvements over the existing methods, devices or materials: IV. Technical description: V. Economic potential or commercial applications for the technology. VI. Novel Features: VII. Physical Structure. [Sketches, photos, or other illustrations should be attached to this form to fully illustrate your invention.]
4.	Has the work been reported / published / presented anywhere:
5.	Commercial aspects of the invention/ technology developed:
6..	Is the work I. Completed and results validated: II. At a basic conceptualization stage?

Declaration: I/We hereby declare that all statements made herein of my/our own knowledge are true and that all statements are believed to be true.

Name of the Applicant:

Signature with Stamp:
